"Our promise is to provide you the opportunity for a dental experience that meets or exceeds your expectations in a caring, comfortable, and professional atmosphere. We will provide you preventive care to enhance your smile, improve and maintain your dental function, and help you to prevent future dental problems."

To help us serve your dental needs best, we would like to know more about you. Please take a moment to complete the following.

What do you expect from your visit today?

What would you like your teeth to be like in 10 or 20 years?

Are you aware that there are medical conditions related to dental disease?

What do you know about periodontal disease?

If you could improve one thing about your smile what would it be?

Do you experience any apprehension before or during dental visits? If so, please explain.
